I am a computer science student at Cracow University of Technology. I also completed an intensive, six month Java course, where I created a web application based on REST API technology. I am currently working on another project – an application that enables user to make a table reservation at a restaurant. I have also been learning HTML, CSS, Bootstrap and JavaScript. The attached website shows my skills in this area.

## PROJECTS

**Kodilla CRUD App** - <https://userweronikagarbarz.github.io>

A web application, that enables adding tasks to the database as well as displaying, editing and deleting them. Application also connects to API Trello and sends tasks to it.

**Portfolio** - <https://portfolio-weronika-garbarz.github.io>

Project of a personal website. Used technologies: HTML, CSS, JavaScript.

## TECHNOLOGIES

Java 8	Junit   Mockito	IntelliJ   Git   GitHub
Spring WEB	Selenium WebDriver	Thymeleaf
